

CRUSHING

IT YOUR FULL LIFECYCLE
AGGREGATE PARTNER

L&H
INDUSTRIAL

Honestly Better.™

50 YEARS OF SUPERIOR SERVICE

Since the beginning, we've been building a global machine powerhouse. We're experts in building **honestly better** parts, machines, and entire custom plants. Our legacy equipment upgrades are known to rival modern counterparts, and with our comprehensive solutions and diverse in-house capabilities, we're faster and more flexible than the OEMs.

YOUR PARTNER THE PROCESS

SHOULDER-TO-SHOULDER FROM
START TO FINISH

SOLUTIONS YOU CAN COUNT ON

FROM A SINGLE COMPONENT—TO THE WHOLE PLANT

CRUSHING

- Cone, jaw, HSI, VSI, and impact crushers developed to the highest standards with maximum versatility and precise aggregate sizing.

CONVEYING

- Belt conveyors, stackers, vibrating feeders, and chutes built with high-performance motors, tensioning systems, and easy alignment.

SCREENING

- Vibrating screens and grizzlies offered in a full range of sizes and options, arranged for wet/dry, inclined, or horizontal applications.

WASHING & CLASSIFYING

- Fully customizable sand screws and log washers to eliminate and separate your fines or remove unwanted dust and dirt from your critical path material.

PORTABLE PLANTS

- Quality manufactured crushing, screening, and stacking options or entire mobile solutions with two-stage crushing, re-crushing, and screening in a fully closed circuit.

TRANSFORM LEGACY MACHINES

**HONESTLY BETTER PARTS
THAT REDUCE DOWNTIME,
INCREASE THROUGHPUT, AND
IMPROVE SAFETY**

STATE-OF-THE-ART SYSTEMS AND CONTROLS

Enhanced digitalization that enables remote machine monitoring and predictive maintenance to keep your team safe.

01

THE STRONGEST MANUFACTURING YOU CAN FIND

Heavy-duty casting and forging of components along with precision welding will give you confidence with every turn.

02

ADVANCED TECHNOLOGY, INNOVATIVE ENGINEERING

Improved lifespan based on data-driven models and analysis of component failures due to geometry, material, and stress ranges.

03

PRECISION MACHINING WHERE IT MATTERS MOST

The most sophisticated machining for the critical components of your operation.

04

RESPONSIVE REPAIRS WHEREVER YOU ARE

SERVICE EXPERTS YOU CAN RELY ON

Partnering with L&H means minimizing downtime. Whether in the field or in the shop, our experienced crews work shoulder-to-shoulder with your team to troubleshoot, repair, rebuild, install, and relocate heavy equipment.

UNMATCHED SPEED THAT'S HONESTLY BETTER

OPERATING BEYOND
THE LIMITATIONS
OF THE INDUSTRY
STANDARD

ONE CALL. NOT FIVE.

We're prepared to tackle all of your lifecycle challenges so you can crush your production goals.
